BacPac Traveler New

13.0" - 14.1"

Compact backpack for 13”-14.1” notebooks with interior tablet pocket

BacPac Traveler is the perfect companion for the safe transport of your 13”-14.1” notebook, tablet and further mobile computing equipment.The moulded notebook compartment made of High-density foam surrounds your notebook and provides maximum safety. In the spacious expandable main compartment which is sub-divided in two, there is room for accessories as well as documents. The workstation in the front compartment takes care of pens, business cards and keys in an orderly fashion. Power supply units and cables can be transported in the designated pocket and there is also a separate pocket for a tablet PC. The ergonomic back padding and adjustable shoulder straps ensure that the backpack is comfortable to carry. The TopTraveler collection from DICOTA combines first-class functionality with elegant design and high quality materials. Available are different models and sizes allowing you to find the bag that suits your requirements. All bags in the collection are made from durable nylon and have clever design features made to support your way of working.
